2021 COMPLETION MESSAGE

My profound felicitations to the completers of class 2020-2021!

My dear completers, you have finally come to this meaningful ceremony and I extend my warmest pleasure to you and to your family for this milestone. You did great in making a headway to

chase your dreams. You are now close to reaching the finishing line of the K to 12 Program.

With God's grace your aspiration of completing the program has become a reality and I commend you for your courage and positivity despite challenges. The changes caused by the Covid- 19 pandemic prepared you to be more resilient and optimistic in life. The adversities you confronted molded you to be more independent and strong- willed. My dear completers, always be courageous and let go of your fears and doubts. Wear your confidence and trust yourself that you can overcome whatever life's trials you may have.

My sincere expression of gratitude and commendation to the parents, teachers, and other stakeholders for making a breakthrough amidst the struggles in reaching out to the learners. Together, we can prepare for the paths of our children to make their journey more enjoyable and worth treading.

As we celebrate this completion exercises with the theme, *Strengthening Education Amid the Covid- 19 Pandemic*, let us be challenged to be more adaptable in responding to the radical changes. The Department of Education will always be finding possible ways to respond to the demands of the time just to continue education and pursue the dreams of our children. To

Republic of the Philippines
Department of Education
CARAGA REGION
Division of Butuan City

this end, we the pillars of education together with our beloved Local Government Officials, non- government organization, private stakeholders and concerned individuals in our city commit ourselves to uphold the vision of the K to 12 Program to our Butuanon learners.

God bless to all of us!

MANUEL O. CABERTE
Assistant Schools Division Superintendent
